

**IN THE SPECIFICATION**

The specification as amended below with replacement paragraphs shows added text with underlining and deleted text with ~~striketrough~~.

Please REPLACE paragraph beginning at page 2, line 23, as follows:

--An object of the present invention is to provide an animation creating/editing apparatus, including computer readable medium thereof, removing or resolving a scene that is inconsistent with the real world, discontinuous scenes that are unnatural, and the like when an animation on which the real world is faithfully reflected is created.--
